## **Guidance Notes for Assistant Race Officer (ARO) Duties**

ARO assists the RO in the running of club racing

Please read the guidance notes for Race Officer duties for more information about setting up races.

### **Times**

Summer

1<sup>st</sup> May to 30th September            report to OOD at 09.30

Winter

1<sup>st</sup> October to 30th April            report to OOD at 09.00

### **Duties**

Assist the RO and Safety Boat Skipper in launching a safety boat and setting a course (Mark laying etc.)

Help make ready the committee boat and collect all the equipment as requested.

Assist in running the racing as directed by the RO

Assist in inputting the results into the computer.

Help clear up after racing has finished.

### **What to Wear**

Please note that as all racing is run from the committee boat you must dress for the weather. It gets cold sitting in a boat for two hours at a time and you must wear a buoyancy aid.
