

# FOR SALE – RS AERO 7 – 4186

Mint condition – sailed only 3 times

Huge discount on new purchase price

This is an unusual opportunity to own an **RS Aero 7 Complete** in virtually new condition. Sailed just **three times** since purchase. Available to view at Bough Beech Sailing Club.

Why is it for sale? Wonderful intentions fettered by family responsibilities, an injury, and taking up flying instead of sailing. I have done more than double the number of club duties than actually sailing.

If you are looking for a phenomenal, high-performance, lightweight single-hander without the new-boat price tag, this is it. **Free delivery within England and Wales.**
