

Contender - Hull No. 812 - £250

- Reluctant sale, I have had many good sails on and off the trapeze on this boat, (selling as I would like to move onto something even faster!) -

A Contender dinghy for sale with two sails (normal sail No. 328 + reefed sail 277), two rudders (lifting + fixed), fully rigged with trapeze and toe-straps

I have retrofitted larger RS racing padded toe-straps to the boat to stretch the full length of the cabin so the boat can be used for hiking with a passenger or alone in stronger winds with the reefed sail. I have mainly used this setting for fun trips with family and friends as an intro to sailing.

Wooden deck with fibreglass hull - Currently called Southern Comfort!

Two rudders both in good condition for their age, lifting and fixed

This boat sails well but not hugely competitive with the older sails, I last used it a few weeks ago and it was in full working order, perfect for a blast about

It could do with a revarnish and a bit of TLC to bring it back to its former glory!

This is a unique boat that always captures attention on and off the water! - Don't hesitate to get in touch for more details
