

## Checking and Editing the Discard Scoring on Sailwave

1. Open the sailwave file for the event that you are checking
2. Click on the button along the top labelled 'scoring systems'

3. Click on the tab labelled 'series scoring'

4. In the box under discard profile the list of numbers (0,0,0,1,1,2,2,3,3,4,4 etc) indicates the number of discards to apply if there are 1,2,3,4,5,6,7,8,9,10,11 etc races sailed in the event/series.
5. Check the number of discards programmed against those specified in the Notice of Race and edit the numbers in the box as needed
6. Once the correct discard profile is entered in the box, press 'OK'
7. Save the sailwave file
